
The Many Benefits of Learning English Language Essay

In communication, languages become the primary mediator for delivering or sharing information. One of the most widely used languages in the world is English. English is well known as an international standard language and it is very important for those who live in this globalization era. There are over 750 million people who speak English as a foreign language and in the year 2000 the British Council said that there were about a billion people learning English. English is increasingly used in many places and seems it has been dominate the world communications. "A man who does not know foreign language is ignorant of his own" (1). There are so many benefits of learning English and they can be found in many sides such as in international business community, technology field, education, and in the social life.

In international business environment, English holds an important rule to make the business goes well. English is very useful when company build cooperation with another international company from different country. To become the winner of the hard competition in business world, businessman must be able to understand and use English well. Besides that, a company prefers to hire an employee who has a good skill in language, especially English. However, by understanding English will improve the prospect for employment in business environment and help the businessman able to handle the business problem efficiently.

Furthermore, English also takes a large part in the growth of technology. Almost every electronic devices use English especially computing and internet. That is because most of scientists write in English although some of them use English as their second language. English is not only use in the hardware but it is used in the software also. Every command in the computer is in English and to operate it people should understand English first. In the internet, there is a lot of information written in English such as e-mail, blog, and social network. It shows that learning English gives many benefits to the advance of technology.
